

Section 3 - External Auditor Report and Certificate 2022/23

In respect of **Checkendon Parish Council**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Council approved Section 1 of the Annual Governance and Accountability Return after Section 2 which is in breach of Section 6(4)(a) of The Accounts and Audit Regulations 2015, which requires Section 1 to be approved in advance of Section 2. This should be considered when completing assertion 3 on the 2023-24 return

Other matters not affecting our opinion which we draw to the attention of the authority:

Section 2 of the AGAR was initially submitted without the Trust Fund disclosure in Box 11a completed. This was later resubmitted with a 'No' answer which was in line with our expectations and so there are no further concerns in this area.

The Internal Auditor has signed off the Annual Internal Audit Report 2022/23 after the Section 1 Governance Statement 2022/23 was approved. This means the completed 2022/23 report was not available for review and consideration with the form. It is presumed that the statements in Section 1 Annual Governance Statement refer to the previous year's internal audit report.

3 External auditor certificate 2022/23

We certify/~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

*We do not certify completion because:
